Brings About Upturn in Provision Market.

NOTE—All Market news on this page reflects closing said this page (this page) or bid by the specified) Tuesday, March II—Aving passed through several days of severe liquidation, the stock market was in a pesition to respond today to the exhibition of strength of Americans in London and Indications that the political situation abroad was clearing. Many traders took the view that the market sgain had been oversold and pointed to the celerity with which prices improved when bears attempted to cover.
